Clarification of News Report

We refer to your letter dated March 5, 2015 with respect to the news article entitled "URC's joint ventures with Danone, Calbee eye profitability by 2018" posted in BusinessWorld Online on March 4, 2015. The article reported that:

"UNIVERSAL Robina Corp. (URC) expects its joint ventures with Danone Asia Holdings Private Ltd. and Calbee, Inc. to become profitable in three years, the Gokongwei-led company's chief executive said.

During last month's earnings call with analysts, URC President and Chief Executive Officer Lance Y. Gokongwei said losses from the company's joint ventures with the French beverage firm and Japan's largest snack manufacturer will peak this year since both are in the launch phase.

'It's probably fair to say we will lose something in the \$5 million range for the year,' Mr. Gokongwei said. URC's fiscal year runs from October 1 to September 30.

'From a joint venture perspective, we expect losses between FY2015 and FY2017 for both joint ventures, and probably achieve profitability by FY2018,' he added.

....

Asked about the possible revenue contribution of both partnerships to URC, Mr. Gokongwei said: 'In five-year terms, you're probably talking about a \$20-million to \$25-million business in Calbee and maybe [an] \$80-million to \$100-million business in Danone; mainly reflective of the differences in category size.'

...."

Universal Robina Corporation confirms the above statements made by Mr. Lance Y. Gokongwei.
